## Junior Ambassador's Message

I would like to thank all the Directors, Convenors, Volunteers, and Sponsors of the Caledon Fair for making it happen and keeping it alive.

It has been a great opportunity to represent and promote the Caledon Agricultural Society this past year. My many adventures included attending the District 5 Annual Meeting, the 4-H Awards Dinner, Farmer of the Year Dinner, Parades, and other Fairs to mention a few.

I think it is important to get involved in your community, even if it is only a little bit. I enjoy volunteering at other community organizations, and my church by serving at special dinners, decorating the Haunted Hall, picking up garbage from the ditches in Spring, and decorating parade floats.

I encourage all of you to get involved with your community. It's the closeness of the community that makes Caledon such a wonderful place to grow up and to live in.

Remember to mark June 11, 12, 13, 2010 on your calendars, where we will all be celebrating the 150<sup>th</sup> Caledon Fair.

Come to the fair, maybe enter a few exhibits or volunteer a few hours. Definitely enter the Fair Ambassador Competition, as I will carry these memories with me for the rest of my life.

*Coulter Limebeer*

## **Thank You to everyone who donated to the Fair Ambassador Program**
