Presidents' Message

On behalf of the Caledon Agricultural Society and Hall Division, we wish to welcome you to our 150th Anniversary.

It's amazing to think this fair has been both a Caledon tradition, and a family tradition for generations.

We wish to thank all of our Directors, Members, Volunteers, and our Community for helping to make our fair successful.

If this is your first time attending, or your third generation attending, we wish to welcome you to our fair.

We invite everyone to take part in our fair by exhibiting, showing, attending, enjoying and just having fun.

It will certainly be a place to meet friends new and old, and enjoy 150 years of history as we "Turn Back the Clock"

Anne Ward
