

Horse Show Rules

1. Please read General Rules, and Horse Show Rules carefully.
2. The term horses pertains to any horse, pony, mule or donkey exhibited at the Fair.
3. The Committees reserve the right to postpone any show if, for any reason, they deem it advisable, or to alter condition or refuse entries.
4. All riders and attendants (exhibitors, coaches, parents, etc.) must have signed a waiver prior to riding or driving any horse on the Caledon Fairgrounds.
5. All riders and attendants (exhibitors, coaches, parents, etc.) must be neatly and suitably dressed for their chosen equestrian discipline.
6. All riders and drivers of horses at Caledon Fair must wear an approved riding helmet meeting SEI/ASTM standards for equestrian safety while mounted anywhere on Caledon Fairgrounds (show ring, warm-up ring, trailer area, etc.)
7. All riders must wear proper footwear for equestrian riding with a heel of no less than 1.5 centimetres at all times while mounted on any horse on Caledon Fairgrounds property.
8. Each horse and rider/driver combination will be assigned an entry number which must be worn in the show ring. Proper entry numbers must be clearly visible when being judged.
9. Ponies and horses may be measured if applicable.
10. In all classes, the safety of the horse and rider shall be the first consideration.
11. All horses are restricted to the trailer parking area, designated warm-up areas or show rings, and may not be taken into pedestrian access areas, near the food booth (s), or any other area of the fair not designated for horses. Riding or driving of horses outside of designated show rings or warm-up rings at gait faster than a walk is strictly prohibited.
12. Entry fees will be refunded only if requested prior to the start of that class.
13. Refer to the specific rules for each horse show held at the Caledon Fair as printed on their respective pages of the Caledon Fair Prize Book of the current year. Additionally, please refer to any association rulebooks as specified to be in effect for each horse show.
