CANADA DAY July 1st, 2011

Canada Day will be celebrated with the **23rd annual Strawberry Festival** held at the Caledon Fairgrounds located on Hwy#10 in the Village of Caledon.

Feather-light pancakes ladled with field fresh strawberries and cream, live music, avenue upon avenue of vintage cars and a "shop till you drop Christmas in July" craft and artisan trade fair, a Bavarian beer garden and silent auction create a full day of family entertainment, celebrating Canada's 144th birthday.

The Fairgrounds open at 10am, with admission free. All proceeds dedicated to the Caledon Agricultural Society.
