

Caledon Agricultural Society

This year promises to be quite different from others, as the dates of our fair have changed from September to June. It is a dramatic change, but we've had a lot of positive feedback from everyone.

What we hope to accomplish with this change, is not only to acquire a midway, but to also get away from the "sandwich" between all the other local fairs within an hour's drive radius of us, who hold their fairs within the same month. The weekend after Labour Day is also the busiest weekend within Ontario, with over 30 fairs held.

By moving to June, there's half a dozen fairs within that whole month, and we hope to attract a better crowd, more participation in our events, and to be able to offer something different to all.

The Original Caledon Canada Day Strawberry Festival was a huge success last year with sunshine and plenty of fun for all. With many of our food booths, including the Bavarian Gardens, sold out, and other vendors making in the neighbourhood of \$1000.00, the event continues to grow steadily.

It's encouraging to have our events make such an impact in our community. As they continually grow, the Caledon Agricultural Society has a greater ability to give back, in scholarships, Pennies for Teddies for children's services, events, experience for young adults ready to embark on life, as well as an Every Kids Playground accessible to all children recently completed with the help of the Trillium Foundation.

We hope to continue, and expand our efforts, in making our community a strong, friendly, and welcoming place to be. We hope you'll come out, and take part in this vital organization, which will be celebrating it's 150th Anniversary in 2010.

If you have any questions, please feel free to call me at 519-927-5305 or 905-586-0842, or log onto our website at www.caledonfairgrounds.ca or e-mail caledonfair@hotmail.com

We wish you the best, and hope you'll take part in 2009!

Yours truly;

Shawna Ward
